Why Gaucha Is the Perfect Fit for Your Occasion

Personal & Corporate Catering, Done the Gaucha Way

Anytime, Anywhere

Perfect for any time of day — whether you're grabbing a quick mid-morning bite or sitting down for a full meal. Gaucha empanadas go wherever you go and hit the spot every time. From intimate gatherings to busy office lunches, we make it easy to enjoy handcrafted flavor anytime, anywhere.

Handcrafted with Heart

Each of our empanadas is made by hand, one by one, using fresh, high-quality ingredients and time-honored Argentine recipes. It's not just food — it's tradition folded into every bite. With Gaucha, it's more than food — it's a cultural experience in every bite.

For Kids, Adults & Everyone in Between

With different flavors to choose from — including meat and vegetarian options — there's something for every taste, every mood, and every generation. At Gaucha, there's a favorite waiting for everyone. Whether you're feeding picky kids or hungry professionals, we've got you covered.

No Forks, No Fuss

All you need are your hands and a good appetite. Every bite is meant to be enjoyed just the way it is — simple, delicious, and straight from the heart. No plates, no utensils, no stress — just grab, bite, and enjoy.

Made Simple, Made Delicious

Our empanadas stay warm and fresh for up to an hour — just like they came out of the oven or fryer. We deliver them hot and ready to enjoy — no plates, no forks, no stress. Each one is labeled by flavor, so everyone gets exactly what they're craving (no guessing games here). And yes — we'll bring them right to your door, right on time. Just tell us where.
