

Hire Our Cart or Tent for Your Next Event

Compact. Charming. Full of flavor.

Looking for something a little more flexible than the full food truck? Our Gaucha cart and tent setup brings all the flavor and personality of our brand to your event—perfect for both intimate gatherings and large public festivals.

Whether it's a private celebration, a community market, a corporate function, or a high-traffic festival, we'll serve our signature empanadas, alfajores, sauces and drinks from a beautifully styled, easy-to-set-up cart or tent that fits your space.

Ideal for:

- **Weddings, birthdays, showers & private parties**
- **Farmers markets, food fairs & public events**
- **Office buildings, campuses & brand activations**
- **Indoor venues or locations with limited truck access**

★ **The same handcrafted food. A more flexible footprint.**

Let us know your event details and we'll create a setup that works beautifully for you.
